

Pupil Premium Grant Expenditure

2013-2014

Context

The Leadership Team and Governors of Thorpe St Andrew School and Sixth Form are committed to ensuring that students from disadvantaged backgrounds achieve at the highest level.

There are currently 1751 students on roll, of which 15.2% of students are eligible to receive a Pupil Premium Grant. The amount of Pupil Premium allocated to Thorpe St Andrew School and Sixth Form for the current financial year is **£218,118** (2013-2014).

Thorpe St Andrew School and Sixth Form has allocated Pupil Premium funds to a wide range of educational areas. These include:

- BEST Team support.
- Heads of House tracking and identifying individual needs – mentoring.
- Student Counsellor Support.
- Learning Mentors and Key Stage 4 intervention.
- Key Stage 3 literacy intervention.
- Additional staffing to the 'Bridge'.
- Additional resources to support individual needs, for example study guides, ICT equipment including laptops and software and Music Tuition fees.
- Data/attendance resources.
- Pupil Premium Learning Mentor.
- Alternative Curriculum Instructor.

Purpose

Allocation of the Pupil Premium Grant will be reviewed to:

- a. Ensure focused support for disadvantaged students to achieve at the highest levels.
- b. Remove barriers to learning for disadvantaged students.
- c. Increase provision for supported self-study and out-of-school-hours learning.
- d. Provide well-targeted support to improve attendance and behaviour where these are barriers to a student's learning.
- e. Promote the highest levels of literacy and numeracy across the curriculum.
- f. Allocate high quality teaching, and learning support, to intervention groups to improve Mathematics and English.

- g. Improve the use of data analysis to track and monitor the progress of all students and student groups, but particularly those who qualify for the Pupil Premium.
- h. Ensure teachers know which students are eligible for the Pupil Premium so they can take responsibility for accelerating their progress.
- i. Provide careers information, advice and guidance to raise aspirations of students from disadvantaged backgrounds.
- j. Promote the social, moral, spiritual and cultural development of all students.

Using current research (such as Sutton Trust Toolkit) and evidence of good practice, funding will be allocated to strategies that are most likely to have an impact on improvement of the above priorities.
