

THORPE ST ANDREW SCHOOL AND SIXTH FORM NEWSLETTER

School Buses

Due to various road works taking place in the local area, there has been disruption to morning bus times which has resulted in some buses arriving in school earlier than usual.

If your son or daughter is affected in this way, please can you remind them that once they are dropped off they must remain on the school site.

Students are welcome to come into school and sit in either the North or South Dining areas, so they do not have to wait outside in the cold.

Thank you for your support in this matter.

Mrs Woolner.

Late Bus

The school provides a late bus for students who attend after school clubs, activities, lessons and sports fixtures. Any students using this late bus, who have no legitimate reason for doing so, will not be allowed to travel and will have to find alternative ways of getting home. We trust you will understand that we can only provide late transport for those who have a genuine reason for using this service.
