

# THORPE ST ANDREW SCHOOL AND SIXTH FORM NEWSLETTER

## Host Families Needed

We are very fortunate that students from Trondheim in Norway are able to spend a year studying at Thorpe St Andrew Sixth Form. Our Norwegian students will be looking for host families, who receive financial support of £150 per week, so they can assimilate into English family life. Students

return home for the holidays and most half terms. If you would be interested in hosting one of our Norwegian students, please contact: [janine.birt@norfolk.gov.uk](mailto:janine.birt@norfolk.gov.uk)

## Prom

There is still time for students to purchase a ticket for the Year 11 Prom 2017 (order forms are available from South Site Reception). A large number of tickets have already been sold but there are still spaces available. We would ask that students pay for their Prom ticket before they commence their Self Directed Study Time. We can then inform the venue of our food requirements, along with the little extras we would like to arrange for this year!

Payment can be made at the Student Payment Point or by ParentPay. The cost of the Prom ticket is £24.

The closing date for sales of the Year Book is Monday 5 June 2017, orders after this date will not be accepted.

Hoodies will be distributed at the Leavers' Assembly on Friday 26 May 2017.

## Poor Language in School

In line with our school philosophy of 'Respect for All', we will be challenging students on any poor language which is being used in lessons and around the school site. As with most issues, the vast majority of our students behave well and with respect. However, we need to challenge those who do not, and so we will be enlisting your support in this. If poor language is used by your son/daughter,

we will be contacting you to ensure that you are aware of this. We would then ask that you support us in stressing the need for respectful language in a public place.

Thank you for your support.
