Student Payment Point

The Student Payment Point will not be open on Tuesday 19 December 2017, as staff are not in over the Christmas period to process any income deposited. This does not of course preclude you from utilising ParentPay if you wish to.

Mr Goffin

Visiting the School

We would remind all parents visiting the school that they are required to report to South Site Reception (or North Site for collecting an unwell student or a pre arranged appointment). We would ask you NOT to go directly to another part of the school for safeguarding reasons.

Please be advised that without an appointment it may not be possible to immediately see the person you require. In such an event, we will ensure a member of staff meets with you to listen to your concern and then will decide how best to progress.

This also applies to telephone calls as staff will most likely be teaching. In this event, a message can be left and a response will be forthcoming within 48 hours.

Your support in this is appreciated.

It really is as simple as that. Your help will make a difference to our school.

Thank you for your support.

Signing In

Can all students be reminded that if they arrive late to school they must sign in at South or North Site Reception to ensure that they are recorded appropriately on the register.

Thank you.

Credit for Food

Please can all parents/guardians ensure that all students have appropriate funds (preferably on Parent Pay) to pay for food and drink within school. The school is unable to provide credit to students should they have no money.

Thank you for your support.

Lost Property

South Site Reception has a number of lost property items, some of high value. Students who may have lost an item can come to reception at break or lunchtime.

Thank you.
