## Student Achievements

Well done to Megan Cooke who has passed her Grade 5 examination in Keyboard.

Congratulations to Philip Gay - Year 13 - who has secured a degree apprenticeship as a Body Engineer with Land Rover and Jaguar to start in September, based in Coventry, whilst studying at Warwick University. Philip had to pass many tests and interview stages within the application process so has done extremely well. Many of our other Year 13 students who had shown an interest are also now starting to be successful in securing Level 4-6 apprenticeships. We congratulate them and wish them all well in their continued applications.

Our Sixth Form Football A and B teams will face each other in the final of the County Cup. This is a great achievement and both teams should be congratulated that they have 'seen off' the challenge from all the other Sixth Form teams in the County.

We celebrate the achievements of our students throughout the year.
