

ALL ABOUT READING WEEK

Every year we have a Reading Week with lots of activities. Last year:

- We had a visit by popular author **Alexander Gordon Smith**; his books are available in the Learning Resource Centre
- Students visited the University of East Anglia to hear talks by various authors.
- Visits were arranged to Hillside Primary and Nursery and Brundall Primary schools with the **Reading Bus**.
- Students were sports reporters and photographers for Sports Day.
- We held **The Literacy Olympics**, which involves events taking place all day with students scoring points for their house.

The LRC Book Review Tree

Students are able to write book reviews which are then placed on the tree so that other students can read their recommendations.
