'Birthday Books'

We will be introducing a birthday book donation scheme for Key Stage 3 students from September 2018. Students will be invited to present a book on, or around, their birthday during assembly.

The book will be given to the school library and will have a special plate inserted to show the name and birthday of the student who presented the book.

The book can be fiction or non-fiction and does not have to be purchased brand new, it can be a book donated from home but needs to be in good condition.

There is no obligation but it would be lovely to see as much participation as possible.

Thank you in advance.
