

Your options...

In Year 9 you have the option to either carry on with **both** Geography and History as part of your humanities studies or choose to specialise in Geography or History.

What is Geography?

- Finding out about the world.
- Understanding different views.
- Making decisions.
- Using evidence.
- Visiting places.
- Independent research.

Geography: A gateway to university and jobs.

Are you ready to develop these skills?

Topics we study at GCSE:

- Earthquakes and Volcanoes.
- Climate Change.
- Storms and Floods.
- Rainforests
- Changing Cities.
- Poverty.
- Food.
- The Future.

Assessment:

OCR

- Three GCSE examinations – no coursework.
- Ask your Geography teacher for more information.
