WHOLE SCHOOL POLICY FOR SAFEGUARDING INCORPORATING CHILD PROTECTION

Policy Consultation and Review

This policy is available on our school website and is available on request from the school office. We also inform parents and carers about this policy when their children join our school and through our school Newsletter.

We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Staff Code of Conduct, behaviour policy and the safeguarding response to those students who are missing from education. In addition, all staff are provided with Part One of the statutory guidance ['Keeping Children Safe in Education'](#), DfE (2020).

This policy will be reviewed in full by the Governing Board on an annual basis.

1. PURPOSE AND AIMS

- 1.1 The purpose of Thorpe St Andrew School and Sixth Form's safeguarding policy is to ensure every child who is a registered student at our school is safe and protected from harm. This means we will always work to:
- Protect children and young people at our school from maltreatment;
 - Prevent impairment of our children's and young people's health or development; · Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care;
 - Undertake that role so as to enable children and young people at our school to have the best outcomes.
- 1.2 This policy will give clear direction to staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.
- 1.3 Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered students at our school. The elements of our policy are prevention protection and support.
- 1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from school or who go missing from education, particularly on repeat occasions. The Attendance Lead will regularly liaise with the Designated Safeguarding Lead to discuss all persistently absent students and those who go missing to identify the risk of abuse and neglect including sexual abuse or exploitation and to ensure that appropriate safeguarding responses have been put in place to reduce risk of future harm.
- 1.5 This policy applies to all students, staff, parents, Governors, volunteers and visitors.

2. OUR ETHOS

- 2.1 The child's welfare is of paramount importance. Our school will establish and maintain an ethos where students feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff at our school if they are worried or concerned about something.
- 2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff at our school play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.** When concerned about the welfare of a child, staff members must always act in the best **interests** of the child.
- 2.3 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose.

2.4 Throughout our curriculum we will provide activities and opportunities for children to develop the skills they need to identify risks and stay safe. This will also be extended to include material that will encourage our children to develop essential life skills. Teaching students about how to stay safe and behave online, including identifying risks and how and when to seek support is crucial. Further information can be found in the DfE guidance [‘Teaching Online Safety in School’](#) (June 2019). The curriculum at Thorpe St Andrew School and Sixth Form includes:

- E-safety
- Drugs Education
- Sexual Health Education
- Safety in the Community
- First Aid
- Health and Safety at Work
- Family, Relationships and Appropriate Relationships
- Crime, Morality and Media
- Healthy Eating and Influence of Diet on Health.

2.5 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with Working Together to Safeguard Children (2018) and [Norfolk Multi Agency Safeguarding Children Partnership](#) arrangements.

2.6 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory Education, Health and Care Plan, EHCP);
- Is a young carer
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child.

- 3.7 The DSL will provide advice and support to other staff on child welfare and child protection matters. Any concern for a child’s safety or welfare will be recorded in writing and given to the DSL. The DSL will provide advice and support to other staff on Child Welfare and Child Protection matters. If in **exceptional circumstances**, a DSL is not available on the school site in person, we will ensure that they are available via telephone and/or any other relevant media.

- 4.1 When new staff join our school they will be informed of the safeguarding arrangements in place. They will be given a copy of our school's safeguarding policy along with the staff code of conduct, Part One and Annex A of *'Keeping Children Safe in Education'* and told who our Designated Safeguarding Lead (DSL) and Deputy DSLs are. They will also receive a copy of the behaviour policy and the school's response to children who go missing from education - this information is included in Section 6 of this policy. All staff are expected to read these key documents They will also be provided with training on the use of CPOMS.
- 4.2 Every new member of staff or volunteer will receive safeguarding training during their induction period within the first half term of joining the school. This programme will include information relating to signs and symptoms of abuse, how to manage disclosure from a child, how to use CPOMS, the processes for referral to Children's Services and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the designated Safeguarding Lead (DSL). The training will also include information about whistle-blowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive on-line safety training as this is part of the overarching safeguarding approach of our school.
- 4.3 In addition to the safeguarding induction, we will ensure that mechanisms are in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of *'Keeping Children Safe in Education'*. In order to achieve this, we will ensure that:
- All members of staff will undertake appropriate safeguarding training on an annual basis and we will evaluate the impact of this training;
 - All staff members receive regular safeguarding and child protection updates (for example via email, e-bulletins and staff meetings), as required, but at least annually, to provide them with the relevant skills and knowledge to safeguard children effectively.

The DSL and alternative will attend Designated Safeguarding Lead (DSL) training provided by the Local Authority every two years. In addition to formal training, the DSL will ensure that they update their knowledge and skills at regular intervals, but at least annually, to keep up with any developments relevant to their role.
- 4.6 Our Governing Board will also undertake appropriate training to ensure they are able to carry out their duty to safeguard all of the children at our school. Training for Governors to support them in their safeguarding role is available from **Norfolk Governance Association**.
- 4.7 We actively encourage all of our staff to keep up to date with the most recent local and national safeguarding advice and guidance, Annex A of *'Keeping Children Safe in Education'* (2020) provides specific guidance on Child Sexual Exploitation and Female Genital Mutilation. In addition, local guidance can be accessed via Norfolk Safeguarding Children's Board and within the Safeguarding Section of the Norfolk Schools website: <https://www.schools.norfolk.gov.uk/pupil-safety-and-behaviour/safeguarding>

5. PROCEDURES FOR MANAGING CONCERNS

- 5.1 Thorpe St Andrew School and Sixth Form adheres to child protection procedures that have been agreed locally through the Norfolk Children's Safeguarding Partnership. Where we identify children and families in need of support, we will carry out our responsibilities in accordance with [Norfolk Local Assessment Protocol](#) and the [Norfolk Threshold Guidance](#).
- 5.2 Every member of staff including volunteers working with children at our school are advised to maintain an attitude of '*it could happen here*' where safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outlined in this policy.
- 5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often, however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.
- 5.4 It is *not* the responsibility of school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.
- 5.5 The Designated Safeguarding Lead (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our school. Any member of staff or visitors to the school who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the alternative designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.
- 5.6 All concerns about a child or young person should be record **without delay** on **CPOMS**.
- 5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from Norfolk Children's Advice and Duty Service (CADS) as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.
- 5.8 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Norfolk CADS immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re consideration by raising concerns again with the DSL and/or the Principal. Concerns should always lead to help for the child at some point.
- 5.9 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Norfolk CADS, or the police if:
- The situation is an emergency and the designated senior person, their alternate and the Principal are unavailable;
 - They are convinced that a direct report is the only way to ensure the student's safety.
- 5.10 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Principal or the Chair of Governors. If any member of staff does not feel the situation has been addressed appropriately at this point should contact Norfolk CADS directly with their concerns.

6. SPECIFIC SAFEGUARDING ISSUES

Contextual Safeguarding

- 6.1 At Thorpe St Andrew School and Sixth Form we recognise that safeguarding incidents and/or behaviours can be associated with factors outside of the school environment and/or can occur between children outside of the school. This is known as Contextual Safeguarding. It is key that all school staff are aware of the definition of contextual safeguarding and when reporting concerns, they include as much information and background detail as possible so the DSL can make a referral with a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.
- 6.2 We recognise that children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges and these are discussed in staff training. These additional barriers can include:
- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
 - Children with SEN and disabilities can be disproportionately impacted by things like bullying - without outwardly showing any signs; and
 - Communication barriers and difficulties in overcoming these barriers.
- 6.3 At Thorpe St Andrew School and Sixth Form we recognise that a previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously Looked After Children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together and prompt action is taken when necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE)

- 6.4 At Thorpe St Andrew School and Sixth Form we recognise that Child Sexual Exploitation is a form of child sexual abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact; it can also occur through the use of technology.

Child Criminal Exploitation (CCE): County Lines

- 6.5 At Thorpe St Andrew School and Sixth Form we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs.

So-Called 'Honour Based Violence' (Including Female Genital Mutilation and Forced Marriage)

- 6.6 At Thorpe St Andrew School and Sixth Form we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming victims of Female Genital Mutilation (FGM) and other forms of so-called 'honour-based' violence (HBV) and provide guidance on these issues through safeguarding training. If staff have a concern regarding a child that might be at risk of HBV they should inform the DSL who will activate local safeguarding procedures, using existing national and local protocols for multiagency liaison with police and children's social care.

- 6.7 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on teachers. Section 5B of the Female Genital Mutilation Act 2003 (as inserted by Section 74 of the Serious Crimes 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. We will provide guidance and support to our teachers on this requirement and further information on when and how to make a report. This can be found in the following Home Office guidance: [Mandatory Reporting of Female Genital Mutilation - Procedural Information](#) Home Office (December 2015).
- 6.8 At Thorpe St Andrew School and Sixth Form we recognise that forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. The Force Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be contacted for advice or more information: Contact 020 7008 0151 or email fm@fco.gov.uk

Preventing Radicalisation and Extremism

- 6.9 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. At Thorpe St Andrew School and Sixth Form we will ensure that:
- Through training, staff, volunteers and Governors have an understanding of what radicalisation and extremism is, why we need to be vigilant in school and how to respond when concerns arise. There are systems in place for keeping students safe from extremist material when accessing the internet in our school by using effective filtering and usage policies.
 - The DSL has received Prevent training and will act as the point of contact within our school for any concerns relating to radicalisation and extremism.
 - The DSL will make referrals in accordance with [Norfolk Channel procedures](#) and will represent our school at Channel meetings as required.
 - Through our curriculum, we will promote the spiritual, moral, social and cultural developments of students.

Peer on Peer Abuse

- 6.10 We recognise that children are also vulnerable to physical, sexual and emotional abuse by their peers or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same [Safeguarding Children Procedures](#) will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to peer on peer abuse; it must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'.
- 6.11 At Thorpe St Andrew School and Sixth Form all staff are trained so that they are aware that safeguarding issues can manifest themselves via peer on peer abuse. This is most likely to include, but may not be limited to:
- Bullying (including cyberbullying);
 - Physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
 - Sexual violence and sexual harassment;
 - Upskirting;
 - Sexting (also known as youth produced sexual imagery); and
 - Initiation/hazing type violence and rituals.

- 6.12 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about peer on peer abuse. The DSL will respond to any concerns related to peer on peer abuse in line with guidance outlined in of 'Keeping Children Safe in Education 202-' and 'Sexual Violence and Sexual Harassment between Children in Schools and Colleges' (May 2018) <https://www.gov.uk/government/publications/sexual-violence-and-sexual-harassment-between-children-in-schools-and-colleges> We will ensure that all concerns, discussions and decisions reached are clearly recorded and any identified actions are followed up.
- 6.13 We will work with other agencies as required to respond to concerns about sexual violence and harassment. We will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour Team (HSB) on 01603 224467 as required so that we ensure we are offering the right support to the child(ren). Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in school whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre Sexual Assault Referral Centre](https://www.theharbourcentre.co.uk/) (SARC) where a student discloses rape, an attempted rape or serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if students or staff need to speak to a Crisis Worker for help and advice. Referral forms can be found on The Harbour Centre website.

Safeguarding Responses to Children who go Missing

- 6.14 At Thorpe St Andrew School and Sixth Form all staff should be aware of the safeguarding responsibilities for children who are missing education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of their going missing in future.
- 6.15 At Thorpe St Andrew School and Sixth Form we adhere to the following procedures and processes to ensure there is an appropriate safeguarding response to children who go missing:
- An attendance register is taken at the start of the first session of each school day and once during the second session;
 - We make every effort to contact parents and carers and follow up with the emergency contacts held;
 - We hold at least two emergency contact numbers for each of the students on our roll wherever possible;
 - Staff will alert DSLs to any concerns raised regarding children who are absent from school; · The DSLs will meet regularly with the Attendance Lead, SENDCo and other members of the pastoral team to ensure that each response is thorough and takes into account all the relevant information about individual children;
 - We will follow the procedures outlined in our attendance policy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences;
 - When removing a child from roll at the standard and non-standard transition points we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.

If there are concerns that a student is missing from education, any of the following strategies may be used:

- Referral to the Student and Family Counsellor
- Contact with parents
- Attendance panel
- Home visits
- Police welfare check
- Referral to CADS.

7. RECORDS AND INFORMATION SHARING

- 7.1 If staff are concerned about the welfare of safety or any child at our school they will record their concern on CPOMS. CPOMS allows any member of staff to record information on a central repository and has the DSL alerted immediately.
- 7.2 Any information recorded will be kept in a separate named file, in a secure cabinet and not with the student's academic file. These files will be the responsibility of the DSL. Child protection information will only be shared within school on the basis of 'need to know in the child's interests' and on the Understanding that it remains strictly confidential.
- 7.3 Child protection information will only be kept in the file and this file will be kept up to date. Records of concern, copies of referrals, invitations to child protection conferences, core groups and reports will be stored here. All our safeguarding files will include; a chronology, contents front cover and will record significant events in the child's life.
- 7.4 When a child leaves our school, the DSL will make contact with the DSL at the new school and will ensure that the child protection file is forwarded to the receiving school in an appropriately agreed manner. We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery. Where a parent elects to remove their child from the school roll to home educate, the school will make arrangements to pass any safeguarding concerns to the Services to Home Educators Team within Norfolk County Council.

8. WORKING WITH PARENTS AND CARERS

- 8.1 Thorpe St Andrew School and Sixth Form is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.
- 8.2 When new students join our school, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the school website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to make a referral to Norfolk CADS.
- 8.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission or it is necessary to do so in order to safeguard a child from harm.
- 8.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the school has about a child will not prevent the DSL making a referral to Norfolk CADS in those circumstances where it is appropriate to do so.
- 8.5 In order to keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information regarding:
 - Full names and contact details of all adults with whom the child normally lives; · Full names and contact details of all persons with parental responsibility (if different from above); · Emergency contact details (if different from above);
 - Full details of any other adult authorised by the parent to collect the child from school (if different from above).

The school will retain this information on the student file. The school will only share information about students with adults who have parental responsibility for a student or where a parent has given permission and the school has been supplied with the adult's full details in writing.

- 8.6 At Thorpe St Andrew School and Sixth Form we are working in partnership with Norfolk Constabulary and Norfolk Children's Services to identify and provide appropriate support to students who have experienced domestic violence in their household; this scheme is called Operation Encompass. In order to achieve this, Norfolk Children's Advice and Duty Service will share police information of all domestic incidents where one of our students has been present with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the student requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the '*Norfolk Joint Agency Protocol for Domestic Abuse - Notifications to Schools*'. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

9. CHILD PROTECTION CONFERENCES

- 9.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.
- 9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the school in respect of individual children. Usually the person representing the school at these meetings will be the Principal or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.
- 9.3 All reports for child protection conferences will be prepared in advance using the guidance provided by the NSCB. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at school. In order to complete such reports, all relevant information will be sought from staff working with the child in school.
- 9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with parents.

10. SAFER RECRUITMENT

- 10.1 We will ensure that the Principal and at least one member of the Governing Board have completed appropriate safer recruitment training. At all times the Principal and Governing Board will ensure that safer recruitment practices are followed in accordance with the requirements of '*Keeping Children Safe in Education*', DfE (2020). At least one person involved in conducting an interview will have received safer recruitment training.
- 10.2 At Thorpe St Andrew School and Sixth Form we will use the recruitment and selection process to deter and reject unsuitable candidates. We require evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will question the contents of application forms if we are unclear about them, we will undertake Disclosure and Barring Service (DBS) checks and use any other means of ensuring we are recruiting and selecting the most suitable people to work with our children.

- 10.3 We will maintain a Single Central Register (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff will check the SCR regularly to ensure that it meets statutory requirements.
- 10.4 From 1st January 2021 the TRA Teacher Services System no longer maintains a list of teachers who have been sanctioned in EEA member states. The changes were made to the KCSIE in January 2020 to reflect this in paragraphs 149 and 145 (bullet 5) paragraph 172. Amended to provide advice for schools and colleges on how they can check the conduct of past individuals who have lived or worked overseas following the withdrawal of the United Kingdom from the European Union. This means that further checks will be considered. These checks to include: criminal record checks for overseas applicants; obtaining a letter of professional standing from the professional regulating authority in the country in which the applicant has worked.

11. SAFER WORKING PRACTICE

- 11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to ensure that all adults who work with or on behalf of our children are competent, confident and safe to do so.
- 11.2 All staff will be provided with a copy of our school's code of conduct at induction. They will be expected to know our school's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. Refer to '[Use of Reasonable Force, DfE Guidance 2013](#)'. Where a clear need is identified, additional training such as Norfolk Steps will be sourced.
- 11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open.
- 11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in '[Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#)' (May 2019). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. MANAGING ALLEGATIONS AGAINST STAFF AND VOLUNTEERS

- 12.1 Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children at our school. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.
- 12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children.
- 12.3 We will take all possible steps to safeguard our children and to ensure that all the adults in our school are safe to work with children. We will always ensure that the procedures outlined in [Norfolk Safeguarding Children Partnership Protocol: Allegations Against Persons who Work with Children](#) of 'Keeping Children Safe in Education', DfE (2020) are adhered to and will seek appropriate advice. The first point of contact for schools regarding LADO issues is via the Local Authority Duty Desk on 01603 307797. A Duty Advisor will give advice and guidance on next steps. If the advice is to make a referral to LADO then the form should be completed. Direct contact details for LADO are email LADO@norfolk.gov.uk or telephone 01603 223473.

- 12.4 If an allegation is made or information is received about any adult who works in our setting which indicates that they may be unsuitable to work with children, the member of staff receiving the information should inform the Principal immediately. This includes concerns relating to agency and supply staff and volunteers. Should an allegation be made against the Principal, this will be reported to the Chair of Governors. In the event that neither the Principal nor Chair of Governors is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Principal or the Vice Chair of Governors.
- 12.5 The Principal or Chair of Governors will seek advice from the LADO within one working day. No member of staff or the Governing Board will undertake further investigations before receiving advice from the LADO.
- 12.6 Any member of staff or volunteer who does not feel confident to raise their concerns with the Principal or Chair of Governors should contact the LADO directly on 01603 223473. Further National guidance can be found at: [Advice on Whistleblowing](#). The [NSPCC Whistleblowing Helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 - line is available from 8:00am to 8:00pm, Monday to Friday or via email: help@nspcc.org.uk.
- 12.7 The school has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR.
