

HOOKED ON BOOKS

Welcome to our latest edition of the library newsletter.

CLICK AND DELIVER IS BACK!

When we return after half term, Click and Deliver will resume service for **Years 8, 9, 10, 11 and 6th Form.** Remember to click on the Oliver tile on RMuUnify. This will automatically log you in. Reserve the books you require, and they will be delivered to your school.

Returned books can be returned to the boxes in your school, each box is placed in the following area:

Year 7: Outside the library

Year 8: In the Apollo room/Mr Askers/Miss Turners old room

Year 9: In the Hub

Year 10: In the Admin office

Year 11: In the Hub/First Aid

Years 12 and 13: In the 6th form library

There were hundreds of books loaned out before the first lockdown a year ago and lots in the autumn term, so the library really needs these back please! Email reminders have been sent. **Please return to your school box as soon as you can, thank you, especially Years 11 and 13 who will soon be leaving us.**

LIBRARY REOPENING FOR YEAR 7 STUDENTS AFTER HALF TERM

After half term, Year 7 English classes will start to have lessons in the library. This will also be their opportunity to borrow, renew and return books. The sessions will start with a library induction in the use of the library.

The library will also be open at lunchtimes for quiet reading with a **maximum of 10 students** initially.

Book groups will also start at form times, please register your interest by emailing me at ahamilton3nrp@yare-edu.org.uk and telling me why you love reading and would enjoy being part of a book group.

Will be so exciting to have some normality!

★ Speaking of normality, some of our Year 9 students entered the Reading Champions Quiz on 11th May, this has replaced the annual Kids' Lit Quiz and our team represented the school in the regional heat and came third! This was an amazing achievement considering we would normally have had lots of meetings and practices. They did so well! ★
