

## Health and Social Care

OCR Level 2 Cambridge National Certificate in Health and Social Care comprises three units:

### OCR Level 2 Cambridge National Certificate in Health and Social Care

This course is for students interested in finding out about the key principles and skills needed to work in the Health and Social Care sector. It is equivalent to one GCSE. Students will sit one examination and complete three pieces of coursework under controlled conditions. This assessment will teach students theory and concepts in preparation for carrying out practical tasks in a sector related environment or through role play scenarios. This course is graded Distinction \* to Pass.

This course is a nationally recognised work related qualification designed to provide a choice of routes into further education or employment. The skills of producing assessments in different ways and applying theory to practical situations are in great demand and highly valued by sixth form institutions, employers and colleges. At Thorpe St Andrew Sixth Form, we offer an Advanced Specialist Qualification course in Health and Social Care and Child Care as well as an A Level equivalency.
