All journeys have signposts. Here are yours.

Session - KS4 Roadmap to success

Session - How to support your child academically

Session - How to support your child to develop positive routines

Session - How IT can support learning

All Journey need time/plan

According to theoretical physicist Carlo Rovelli, **time is an illusion: our naive perception of its flow doesn't correspond to physical reality.**

How much school time do you think you have to have before?

Year 10 Pre Public Exams

20 school weeks - 100 school days 20th March 2023

Year 11 Pre Public Exams (1)

38 school weeks - 190 school days November 2023

Sixth Form Application- 38 school weeks - 190 days November 2023

Year 11 Pre Public Exams (2)

February 2024 ~ 52 school weeks - 260 school days

Summer Series 2024 first exam

~Early May 2024 ~60 school weeks ~300 school days

All journeys need waypoints- GCSE Target Grades

- Students will be receiving your target grades in your subjects over the next week.
- It is made by looking at students average KS2 Scaled Grade -you did this in Year 6.
- Students average grade is compared to the National dataset.
- The National Data set holds all GCSE and A level results for students ever taken.
- Your target is based on the GCSE/Vocational grades achieved by students in the past with a KS2 scaled score which is the same as yours.
- At Thorpe St Andrew School we have high expectations so we always set targets to meet the top 25% of providers nationally.
- However targets are there to be beaten.
- English and Maths all students will have a target grade of 4 as these are the key qualifications to enable the next steps to progress.
- Students will be better placed for college, apprenticeships and University and post university job applications with the highest grades.

Importance of Non Examined/ Controlled Assessment

In subjects such as; Cambridge National Sport, Cambridge National IMedia, Media studies, Health and Social Care, Child Development, BTEC Music, BTEC Business Enterprise, Design Technologies, Art, Textiles and more Year 10 work either counts towards the final grade or lays the foundation.

Mr Bowman's Personal experience with Cambridge National Sport requiring consistent effort. NEA Vs Exams.
