## Train to Teach with NESTT

Although it seems as if term has only just started, we are only 3 weeks away from starting to recruit trainees for September 2024! Applicants will be able to look for the courses available from 3rd October and the application process will fully open on 10th October.

After nearly 25 years of training teachers across Suffolk and Norfolk, Suffolk and Norfolk SCITT is merging with BEC Teacher Training (based in Essex) to form Norfolk, Essex and Suffolk Teacher Training ([NESTT](#)). We'll still be delivering the same local, high quality, personalised training for which we are known and the new organisation will give us scope to develop an even wider range of courses to suit our trainees and our schools.

We are running a face to face recruitment event at Notre Dame High School, Norwich on Tuesday 26<sup>th</sup> September from 6pm – 7.30pm.

Following a short presentation where you will find out more about what it is like to train to teach with NESTT, you'll have the opportunity to meet our programme leaders and ask any questions you might have.
