As a school, we continue to seek ways in which students' success can be recognised and celebrated.

These nominations from Form Tutors are important as they recognise a range of qualities in individuals including overall attitude, helpfulness, support to other students and voluntary work. I am sure you agree that these need to be celebrated just as much as academic skills.

Congratulations to all those nominated above.

Well Done to Taya Thirtle for reaching the British Finals for Speedway Racing. Taya is the first female ever to compete in the 150cc final where she achieved a medal.

Joel Marsh has competed in slalom racing in the Eastern Region Snowsports Association (ERSA) Team Evolution Summer League Races in his first year as an Under 16. There are six slalom events in total, on plastic and snow, with the best four results counting towards the overall winner. Joel's consistent results over the season have seen him ranked Second overall for the region.

Good luck to Amelia Browning who is representing the England U15 squad at a Korfbal Tournament in Belgium, November 2018.
